2004 BANKSIA LEADERSHIP IN SOCIALLY RESPONSIBLE INVESTMENT AWARD

Investa Property Group, NSW

Since its inception in November 2000, Investa Property Group has taken a leadership position in sustainability - clearly demonstrating the compatibility of growth and bottom line success with social responsibility. In 2003 Investa Property Group put in place a formal sustainability framework that has contributed to increasing returns to its shareholders. The Group now has an integrated environmental performance management programme rolling out through its portfolio, with mechanisms in place to report against the targets in this programme.

Finalists:

- **Australian Ethical Investment, ACT**
- **Bendigo Bank Helps Communities to Stay in the Green, VIC**
- **Maleny Credit Union, QLD**
